6. Greetings from the guild:

Greetings from the Guild side as well! The Wappu happenings are already underway and the whole of Otaniemi is coming together once again to celebrate!

It has been a joyful spring with the calendar packed with many different kinds of activities. KPP headed this year to visit Mikkeli, Tampere as well as Turku to greet the newly formed IEM Guild, Efficio, which started in Turku last autumn. Also the team for PitkäXQ in 2026 has been formed and they are starting their fundraising projects soon, so keep your eyes open!

After the Wappu celebrations, we're setting our sights on the upcoming Prodeko Seminar and beginning preparations for the fall semester when we'll welcome our new Fuksis to the Guild!

See you at Ullis!
- Jaakko
